

Voting Information for Oregon and SW Washington

Recently, a few of our members have reached out with questions on services for voters with disabilities.

To assist our community in successfully participating in the upcoming election, here are some helpful links to more information on **accessible voting**.

There ARE federal and state laws that protect the voting rights of people with disabilities.

For guidance on what is permissible in **Oregon**, visit:

Secretary of State's web page
["Services for Voters with Disabilities"](#)

A quick **Voter guide to getting and giving help**:

Reach out to **your County Elections Department in Oregon** for help with:

- Registering to vote
- Marking or reading your ballot
- Updating your address, name, political party, or other voter information
- Understanding elections rules and steps in voting
- Any other elections related help

For guidance on what is permissible in **Washington**, visit:

Secretary of State's web page
["Voters with Disabilities"](#)

Reach out to **your County Elections Department in Washington State** for help with:

- Registering to vote
- Marking or reading your ballot
- Updating your address, name, political party, or other voter information
- Understanding elections rules and steps in voting
- Any other elections related help

These services are always free!
